## BRINGS SERIES OF COMPLAINTS

In Divorce Suit—The Culmination of a Romantic Wedding

Otto Lewark Alleges that His Wife was Cruel and "Nervous" in Disposition

Otto Lewark has filed suit for divorce from his wife, Maud Lewark, and enters many complaints in his suit. Readers of this paper will remember the romantic wedding of Lewark to an employee of the Windsor hotel in April, 1905. They lived together until August 4th, 1906, when they separated.

Lewark alleges that his wife abused him, cursed him and struck him on many occasions. He says she refused to prepare his meals, and kept a deranged house at all times, refusing to do housework.

Lewark further states that she often threatened to leave him, saying her love for him had grown cold. Continuing he adds that she has an uncontrollable temper and called his folks all sorts of vile names, and threatened to take their child away, and put it where he would never see it again.

She left him several times, he says, and he was obliged to give up his position and follow her to Connersville and Indianapolis in order to live with her.

He sets forth several other complaints, and now asks for a divorce and the custody of their six months-old child, Earl Preston.

## WATSON WILL SPEAK SUNDAY

At the "Big Meeting" of the Y. M. C. A. in Indianapolis

Congressman Watson will speak at the "Big Meeting" next Sunday afternoon in the English opera house, in Indianapolis. Lectures are given every Sunday afternoon under the auspices of the Y. M. C. A. Mr. Lou Beauchamp, the philosophic humorist, was the speaker last Sunday. Since his Marquette club banquet speech in Chicago—which was his debut in that city—Mr. Watson has received no less than thirty invitations to address various Universities, clubs, etc. He is in constant demand all over the country as a speaker, and could easily earn five times the salary he receives "being" a Congressman, on the lecture platform as a lecturer.

Mr. and Mrs. Philip Schenkel, of Connersville, and Herman Wolters and Mrs. Lewis Wolters, of Indianapolis, were here to attend the funeral of Henry Schenkel.

## BAGGAGE ROOM HAS TAKEN TO THE WOODS

Our C. H. & D. Baggage Room, "No. 18727, Capacity 60,000 Pounds" is Torn Down

At last the C. H. & D. baggage room is no more. It was formerly a piece of rolling stock and went by the name of "No. 18727, Capacity 60,000 pounds. C. H. & D. R. R."

Just a common old red box car. But alas, it served us well—well, since the collision of the two engines at the intersection of the two railroads, when the passenger depot, together with the regular baggage room was reduced to toothpicks. But the little old red box car was torn down today and hauled away. Really it was a "knock" to our fair city, and kept many people from getting off here.

## AUTUMN CHURCH WEDDING TODAY

Celebrated at Catholic Church—Henry Fitzgerald and Lillie Joyce, Contracting Parties

One of the prettiest weddings of the autumn occurred this morning at 8 o'clock in St. Mary's Catholic church, when Miss Lillian Joyce, the daughter of Attorney and Mrs. John F. Joyce, and Mr. Henry Fitzgerald, the son of Mr. and Mrs. William Fitzgerald, were united in the holy bands of matrimony by Father W. J. Cronin.

The bride and groom were attended by Miss Bessie Joyce, of Kokomo, a cousin of the bride, and Mr. Thomas Kelly, of Ft. Wayne.

The bride was attired in a white organdie dress made over white silk and trimmed in Irish point lace. She wore a bridal veil and carried an arm bouquet of white roses. The bridesmaid wore a pink chiffon dress, a black hat trimmed with pink roses, black gloves and carried a bridesmaid bouquet of pink flowers. The groom and best man wore the conventional wedding attire. Miss Coletta Mack, the flower girl, was dressed in an entire costume of pink, carrying a pink trimmed basket filled with pink flowers.

Sister Louise officiated at the pipe organ, playing the Lohengrin wedding march at the appropriate time and "Hearts and Flowers" during the offertory. While the sacrament of matrimony was being administered, Miss Nettie Moran sang "Oh, Promise Me."

Mr. Fitzgerald is an employee of the I. & C. line. He is a member of the K. of C., many of whom attended the ceremony.

An elaborate breakfast was served to a few friends of the both families at the bride's home following the wedding. For the present they will be at home at the home of the bride's parents on East Tenth street.

## REPUBLICANS LOSE BY "STAY AT HOME" VOTE

The tabulated reports as being filed in the office of Secretary of State, shows, by comparison with the vote two years ago, that nearly 74,000 Republicans in Indiana who voted in 1904, failed to vote this year. Similar comparison of the Democratic vote shows a falling off of less than eleven thousand.

As foreseen thousands of Republicans stayed at home and attended to business, feeling that there would be enough without theirs. In other cases they were dissatisfied or indifferent. There is no evidence that many Republicans voted for Democratic candidates.

Frank C. Canaan, of Indianapolis, will open a dancing school in the Ypsilanti hall in this city.

## RUSHVILLE MAN NEARLY KILLED

In a Race Riot in North Vernon, Ohio, George Dunn Receives Injuries

Was Reared Here and Formerly Worked at Tailoring Business in this City

Relative to the cutting of George Dunn, the tailor, formerly living here, the Cincinnati Enquirer in Tuesday's issue has this to say: "Race troubles, which have existed here for some time culminated in a serious cutting affray this morning, when Grant Stewart, colored, slashed George Dunn, white, with a knife so that 47 stitches were required to close the wound. Dunn is dying and Stewart is in jail."

There was much excitement during the day, but all is quiet tonight, and no further trouble is believed imminent.

Considerable ill feeling has existed between the blacks and white for some time and there have been frequent street fights. When George Dunn entered a restaurant this morning, he found all the chairs occupied. Going over to Grant Stewart, colored, Dunn ordered him to give up his seat, saying: "This is no colored restaurant." Both men were enjoined by the proprietor, but the quarrel was renewed on the street. Stewart drew a knife and commenced slashing Dunn on the body.

The race trouble started four weeks ago when a white man is alleged to have made an insulting remark to a colored woman on the street. Street fights between the whites and blacks have occurred since.

Mr. Dunn was a brother of Will Dunn, the plasterer, formerly of this city, and has many other relatives still living here.

## SAY, CAREY JACKSON MADE BOLD DECLARATION

In Announcing That He Has a Manager and Secretary Employed

The following is from the editorial columns of the Muncie Star:

According to Rushville advices, Carey Jackson, the new Democratic representative from Republican Rush county, has a private secretary and general manager. While this is something new in the way of Indiana politics, on the face it does not look like such a very bad departure.

It does not appear clear as to whether Mr. Jackson thinks the Indiana legislature is something like the national congress or whether it is like a prize ring. A congressman generally has a private secretary and a prize fighter has a manager. Mr. Jackson, however, evidently intends to be well fortified for anything that may come; equipped with both of the luxuries he'll be on the safe ground, no matter what may turn up.

It may be that the intimation that there is going to be a hot time in the Indiana legislature this winter has reached Rush county and caused Mr. Jackson to be actuated with a desire to make no false moves. Mr. Jackson will enter the State house with the reputation of being the boldest member of the bunch.

Many an official has been accused of being managed, but Mr. Jackson goes further—he names his manager, comes right out and tells who he is. Mr. Jackson is out for the record, and as no classification is specified he must be in the heavy-weight class.

A man consumes in his three score years and ten, eighty tons of liquid and solid food.

A network of railways has been planned for Bolivia. The cost is estimated at \$37,500,000.

## HACK AT HACK IS SOOTHED WITH SALVE

Shelbyville Republican Says Hack is a Good Fellow Out of Politics

Editorially the Shelbyville Republican says: "Not two weeks ago we were sitting up late at nights thinking of mean things to say about Charles Hack. He was then merely the nominee of the Democratic party for Prosecutor. When we had said all the mean things we could think of he was duly elected to that important office and he will take his place at the pie counter January 1st."

Take Charles Hack out of politics and we are free to say that he is a pretty good sort of a fellow. In his time he has fathered some level-headed ideas.

One of the truest things Mr. Hack ever said was that the State should spend less money protecting its rabbits and quails and more protecting the children and attend its schools.

Mr. Hack is a capable judge—first because he taught school for several years and secondly because he is the father of a school boy. As both he has been eminently successful."

## MRS. ELLIOT WORE HIGH HEELED SHOES

A Chillicothe, Ohio, special says: The high-heeled shoes worn by Mrs. Russell Elliott, aged 19, of Greensburg, Ind., who had attired herself in men's clothing for the purpose of tracking her husband, who, she alleges, has deserted her, proved her undoing.

Her disguise was very clever, but her high-heeled shoes gave her away. Mrs. Elliott had obtained employment in the capacity of "errand boy" at the Mead Paper Company's plant, where she was arrested.

## SOCIETY NEWS

A fruit shower was given last night at the home of Mr. and Mrs. John Demmer, corner of Harrison and Second streets, honoring Miss Gertrude Demmer, who will be married soon.

About thirty couples attended the "calico hop" last night in the Modern Woodmen's hall. Eddie Carter and Miss Ethel Brown led the grand march at 10:30 o'clock. Everyone had a most pleasant evening.

One of the largest social events of the season in the younger circle, will be the dance given Thanksgiving night by Ralph Edgerton in the Modern Woodmen's hall. Many young people from adjoining cities will attend.

An informal dinner was given last night to a number of the young friends of Miss Helen Scudder in honor of her birthday, at the home of her parents, Mr. and Mrs. R. F. Scudder on Beuna Vista avenue.

The ladies of the W. R. C. pleasantly surprised Mrs. Josie Webb at her home on West Third street, in honor of their twenty-fifth birthday anniversary. About twenty-five were present and the evening was pleasantly spent by all. Refreshments of ice cream and cake were served. Mrs. Webb received many nice presents, among which was a beautiful dish presented to her by the W. R. C. Among the out-of-town guests were Mr. and Mrs. Omer Smith and daughter, Mabel, of Noblesville, and Mr. and Mrs. Will Jackson and daughters, Dorothy, Josephine and Florence, of Anderson.

Mrs. Dan Drake entertained a party of young folks last Friday night in honor of her son, Jesse, it being his 18th birthday. The chief entertainment was music on the piano by Leon McDaniel and the graphophone. Jesse received many nice presents, among them a nice book from his Sunday school teacher, Mrs. Lon Link. Refreshments were served at a late hour and all departed wishing Jesse many more such happy birthdays. One Who Was There."

## PLEASE STAY AT THE ALARM BOX

Hereafter When You Turn in a Fire Alarm, Says Mayor Cowing

Time Can be Saved by Fire Company and Probably Heavy Fire Losses

As a result of the experience of the last few months when fire alarms have been rung in and the person sending the alarm has immediately run for the fire, the advantage of having the person ringing in the alarm stay at the box until the fire department arrives has been made more evident.

The matter was brought to the attention of Mayor Cowing by a representative of this paper and he said: "That is indeed a good and timely suggestion, and I wish you would say for me that hereafter, I desire and kindly ask that parties turning in alarms remain at the box until the fire department arrives. Of course if a man's house is on fire, he will naturally feel like running back to the scene of the conflagration, but let him station some one at the box; it pays in the long run."

As a rule an alarm is rung in and the person ringing the alarm rushes to the fire. If he instead would stay at the box and wait for the firemen, he would no doubt be able to give them exact information as to the location and nature of the fire, and thereby enable the department to connect fire plug and locate the wagons to the best advantage without spending a minute's time to look around.

The officials of the fire department agree that it would be to the best interests of the community if there should be a general understanding that the person ringing in a fire alarm will always wait until the fire department responds to the call.

Having no information, but the box number, they will necessarily have to come to the box and unless the fire is an extremely large one when discovered they will be greatly assisted by this method of procedure.

## "A FAST HUSKER IS NOT A CLEAN HUSKER"

Says a Man From Alpine, Who Knows the Business From A to Z

A farmer from the Alpine neighborhood says: "Corn husking is all the go now and the crop generally speaking is far better than it was last year. The yellow corn seems to cure out quicker and is more solid and will stand cribbing in large cribs. The white corn cures out slowly and is inclined to be faulty. Farmers are paying from one to one and a half dollars per day, and some are paying three cents a bushel. Seventy-five and eighty bushels a day put in the crib is doing well for one man, of course some are reported as cribbing more, but a fast husker don't do clean work, and it is best to be a little slow but sure."

## LIKE ARAB STEED TO ROMAN CHARIOT

Dashed Kramer's Horse Down Third Street When Palmer Stopped it

The adage that "a burnt child fears the fire" does not hold good in the case of Charles Palmer, who was run over by the bus in a runaway a few weeks ago. This morning as he rounded into Third street, with a bus load of passengers, he saw a runaway horse, hitched to the Harry Kramer chariot meat delivery wagon, dashing down the street. Palmer drew rein, leaped down off the bus, and stood in the middle of the road until the horse came up alongside of him, when he sprang and grabbed the reins, bringing the horse to a stop near the opposite gutter, without having any damage done to man, beast or property.

The traveling men in the bus applauded the act and spoke in the highest terms of the bravery of young Palmer.

## CONCERT BAND BY SOCIAL CLUB

Commendable Innovation For the Local Social World this Winter

The Rushville Social club completed negotiations yesterday for the appearance of a well known concert company at the club house on the night of February 5th. This is an innovation in the club life of this city, but a common practice among the clubs of the larger cities. The concert company includes four musicians, each and every one an artist in their line, and a dramatic reader. No doubt it will be a big night in the local social world and many visitors from the neighboring cities will be entertained for the occasion. After the concert an informal reception and social time will be indulged in and the artists will play orchestra music for this part of the program.

## BY THE WAYSIDE

East-bound train No. 35, the "Paper train" on the C. H. & D. was late this morning. One of the boys that passes a morning paper route complained to the trainmen about the train being late, and said it interfered with his school work, and kindly begged them to be prompt hereafter. One of the trainmen apologized and said the reason they were late was on account of the fireman losing his shovel.

## FOUR SCORES OF YEARS OLD TODAY

V. B. Bodine, Eighty and Hearty, Established Shoe Store Here Before War

V. B. Bodine, the pioneer shoe merchant is four score years of age today, and passes the eightieth mile stone in comparatively good health.

There is but one man who has been in business in this city, continuously for a longer period than Mr. Bodine, and that is J. B. Schrichte, the tombstone merchant. However, Mr. Bodine and Mr. Schrichte both engaged in business here about the same time in 1855, just fifty-one years ago, but Mr. Bodine was out of the harness for a few years since that time.

When he first opened his shoe emporium in this city, long before the war, he made all the boots and shoes that were sold at that time, and continued to do so until the modern shoe machinery in the various factories about the country displaced the old hand-made methods, by the introduction of a substitute in the way of machine manufactured shoes, at a greater reduced cost to the purchaser, and a "quick sales and small profits" system for the dealer.

Mr. Bodine is still actively connected with the New Era shoe store, together with his son, Clinton Bodine.

Mr. Bodine was born near Montgomery, Hamilton county, Ohio, and worked on a farm until seventeen years of age, when he learned the boot and shoe making trade. Twenty years of his life he spent in Ohio, but the remaining sixty years was spent in God's country—Indiana, and fifty-one years of it spent in the Modern Garden of Eden—Rush county. He has been identified with the Presbyterian church since seventeen years of age, and was an active member all his life, until the discrepancies of old age forbid further activity. He was an Elder for forty-nine years. In 1849, he married Dorcas A. Pool, who died in November, 1902.

The funeral services of Henry Schenkel were conducted by Rev. W. P. McKelvey, at the late residence of the deceased on West Fifth street, this morning. Burial in East Hill cemetery. The Modern Woodmen and Knights of Honor attended the funeral by representation.

Congressman Watson cancelled his Chicago trip today, and for the first time in many days is catching up in his correspondence. He was the recipient of hundreds of congratulatory letters since his re-election, and it has required the services of a stenographer a great part of each day answering them. He will go to Chicago Sunday night.

Greensburg News: John W. Rhodes received a telegram from John Abercrombie, of Rushville, this morning, accepting an offer which Mr. Rhodes made for the purchase of "Lucile," a promising five-year-old mare, sired by Baron Posey and whose dam is by "Red Light." This mare has never been trained, but Mr. Rhodes regards her as one of the most promising performers he has ever seen. The mare will be brought here and delivered to Mr. Rhodes the latter part of the week.

## UNITED APPEAL

Will Be Made by Bankers and Dealers For New Currency Laws.

### EMERGENCY CURRENCY

Some Formal Plan Is Sought Whereby Times of Financial Stringency May Be Lightened.

Plan Followed by Certain European Countries of Banks Issuing Emergency Currency Suggested.

Washington, Nov. 14.—For more than five hours the currency committees of the American Banking association and the New York Chamber of Commerce discussed the formulation of principles which are to form the basis of the legislation for the issue of emergency currency in time of financial stringency. These principles will be recommended to congress for enactment into law at the coming session. Although the views expressed were not by any means harmonious at all times, some of the members say the discussion showed an evident disposition to reach common ground upon which united appeal can be made to congress for the legislation desired.

Substantial progress was made in the work of the committee, and when adjournment was taken most of the principles which are to govern the plans to be submitted by the bankers had been determined on.

The discussion developed a sentiment in favor of a currency to be issued on the general credit of a bank desiring to emit emergency currency during periods of financial stress, as is done in the case of various European countries. The alternative of this proposition—that of segregating the assets of the bank as a special security for these issues—was voted down. The tax on these general credit issues, it is proposed, shall form a guarantee fund to be placed in the treasury and to be used to meet the liabilities of any bank which fails. The question of what tax to place on the general credit issues was referred to a sub-committee. To this sub-committee also was left the settlement of various correlated questions incidental to the general one of taxation of the credit issues.

The opinion of the majority of the bankers was that these credit notes are not to have any preference over any of the other obligations of the bank issuing them, but are simply to be a lien as in the case of all other bank-note issues. The scheme also contemplates the daily redemption of these issues through the instrumentality of the clearing houses in cities in which the banks issuing them may be located.

### CHARGES OF BRIBERY

Did the Standard Oil Attempt to Tamper With Jury.

Findlay, O., Nov. 14.—Charges of alleged attempted bribery of a member or members of the petit jury which sat in the probate court here in September during the prosecution of the Standard Oil case, are being pressed at an adjourned session of the grand jury which has been convened here. All of the members of the jury who sat in the trial of the case in which a verdict was rendered finding the Standard Oil company guilty of alleged violation of the Valentine anti-trust law have been summoned. While the utmost secrecy is maintained, Prosecutor David, who conducted the prosecution of the Standard Oil case, is directing the grand jury investigation and stated that all rumors in connection with the alleged attempted bribery would be gone into thoroughly.

### Has No Fire Department.

Martins Ferry, O., Nov. 14.—Two lives were lost and the village of Richmond, near here, was practically wiped out by a fire which was caused by an explosion of gas. Two children of a foreign miner were burned to death in the flames which swept over the place, aided by a brisk wind. The village has no fire department.

### Wanted in Illinois.

Canton, O., Nov. 14.—William Funk was arrested here last night while visiting relatives in this city, on an order from Chief of Police David Emery of Joliet, Ill., who wired that Funk is wanted in that city to answer a charge of burglarizing a bank. Funk is held in prison here awaiting the arrival of officers.

### No Favors Shown.

Washington, Nov. 14.—As the result of the passage of the railroad rate bill the cadets of both the military and naval academies who have heretofore been transported by the railroad companies to the annual football game between these two schools without charge, will in the future have to pay their own fares.

### A Several Weeks' Job.

New York, Nov. 14.—The board of aldermen have begun the canvass of the votes cast at the state election on November 6, and throughout the state the local boards have entered upon the same task. Returns of the official count may not be completed for several weeks.

### FRIENDS AT COURT

Flendish King of Siam Has Defenders in France.

Paris, Nov. 14.—Some warm partisans for the flendish king of Annam have been found in France, who claim that the atrocities of which he is accused are entirely inconsistent with his character. However, the charges being investigated by the French government are that he put several of his

KING THANH-THAI.

wives to death and served one at a banquet, where he made his guests partake of the dish. Women who attended to his toilet were tortured. He would drive long pins into their backs, attach ropes and suspend the poor victims to the ceiling. There is no likelihood that King Thanh-Thai will be allowed to visit this country like his neighbor, King Sisowath, of Cambodia. King Thanh-Thai is twenty-seven, and rules half a million subjects in Indo-China under the protectorate of France.

### Army Feud Breaks Out.

Cheyenne, Wyo., Nov. 14.—Quite a sanguinary battle occurred on the streets of Cheyenne last night when a detachment of artillerymen from Ft. Russell attacked a number of infantrymen, all on leave. Each side fought desperately with knives. Five men were cut and slashed, one of whom is expected to die. The wounded were taken to the hospital. The cause of the fight is an old feud existing between the two arms of the service.

### Many Protests Received.

Washington, Nov. 14.—The war department mails are heavy with letters protesting against the discharge without honor of the three companies of the Twenty-fifth infantry, colored. Most of these originate in Massachusetts, but nearly every section of the country is represented. They can be of no avail now, it is said, because the action was taken by direction of the president, who alone can relieve the severity of the order.

### Child Fatally Burned.

Angola, Ind., Nov. 14.—The five-year-old daughter of Mr. and Mrs. Frank Munger of this city accidentally caught her clothing on fire and was so badly burned that her death came in a few hours.

### HE HAD HIS NERVE

#### How One Man May Easily Stomped a Dozen.

Newton, Kan., Nov. 14.—The Midland bank of Newton was held up yesterday afternoon by one man and robbed of \$1,000 in currency. The robber was tall, of light complexion and about twenty-eight years of age. He presented a letter to Herman Suderman, the cashier, stating who he was and what he wanted, also advising the clerks and bystanders that they would all die together should any effort be made to detain him. Six or seven persons were in the bank and all were ordered into the vault and locked in. The robber then secured what currency was in sight and escaped. The bank's loss is fully covered by insurance.

### An Unusual Distinction.

Washington, Nov. 14.—Secretary Root has accepted an invitation to attend the dedication of a window to the late John Hay in the synagogue of Keneseth Israel congregation, Philadelphia, on December 2. Dr. Krauskopf, pastor of the congregation, said that the perpetuation of the memory of the late Secretary Hay by the installation of a window in a Jewish church is a decided innovation and will be the first instance where a non-Jew has been so honored. This exception is made because of Mr. Hay's service in behalf of the unfortunate Jews at Kishinef and in recognition of his efforts to prevent Jews from being discriminated against in any way.

### Iowa State Memorial.

Vicksburg, Miss., Nov. 14.—Every preparation has been made for the dedication Thursday of the \$150,000 Iowa state memorial in the Vicksburg national park. Governor Cummins, at the head of a party from Iowa, occupying two special trains, arrived in the city at 8 o'clock this morning to take part in the dedication exercises. Tonight the citizens will give a reception to Governors Cummins and Vandaman and their staffs and guests.

## IT'S YOUR KIDNEYS.

### Don't Mistake the Cause of Your Trouble.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all the ills which are caused by weak or disordered kidneys.

Thomas Kennedy, of 246 Meridian street, Shelbyville, Ind., employed in the furniture factory, says: "Three or four years ago I began having rheumatic pains in my hips. It would wear off at times, but any slight cold brought it on again. I commenced to have lameness in the small of my back, a bad feeling in the top of my head, and kidney secretions became unnatural and irregular. I procured Doan's Kidney Pills at a drug store, and they banished the trouble I have mentioned. I can confidently recommend Doan's Kidney Pills to others suffering from backache or other kidney complaint.

For sale by all dealers. Price 50 cents. Foster-Milburn-Co., Buffalo, New York, sole agent for the United States.

Remember the name—Doan's—and take no other.

## The Young Man's Store

We don't believe that another store in town caters to the clothes-wants of young men in just the same way, or nearly so well as we do.

The demand of the young man for clothes original in design, appreciably more radical in cut and livelier in pattern than the clothes made for older men, is met in this store in a way that no other clothier in town attempts.

Garson-Meyer Clothes for young men are distinctly young men's clothes. They are just the sort of clothes that spirited young fellows demand—smarter, more dashing in cut, and better made than any other ready-for-service clothes produced for the same sort of wearers.

The Zetophonian debating society will hold their first regular meeting Friday night at their club rooms, over Poe's jewelry store. Anyone interested in this line of work and wishing to affiliate with the organization, are requested to be present Friday night.

Connersville News: Charles Griffin and wife, of Indianapolis, who have been spending a few days in the city, with Johnathan Miller and wife, went to Rush county today, to spend a few days prior to returning home. They were accompanied by Mr. and Mrs. Bert Griffin.

Miss Mae Magee and Edward Batterton, of Greensburg, will be married in this city Wednesday, November 24th. Both are well known here and have a host of friends who wish them all the joy of the living. Mr. Batterton is a son of John Batterton, who was formerly in the drug business in this city.

## AMUSEMENTS

The present is certainly the "Era of the Young." The world has seen the "stone age," "the dark age," the "age of iron," and now comes the "Age of Youth." On all sides we see the comparatively young forging to the front, and forcing themselves into places where a few years ago it was thought could alone be filled by their elders; in fact, it is an open question whether a young man is not "of age" at 18. He is as able to cope with the world at that age as his grand father was at 21. The stage may be taken in point. Recently a theatre was occupied by a play in which the leading role was played by a child, Vera Ludlow. This clever little girl will be seen in Harry Shannon's comedy, "The Banker's Child," surrounded by a strong company of players. Special scenery is used to properly mount the play. At opera house, one night only, Monday, November 19th.

A good place to buy pocket, butcher and table knives—Hogsett's.

Mrs. Austin's Pancake flour is best of all. A fresh supply now on hand at your grocers.

The \$10,000 livery stock of Geo. Caldwell, Rushville, will be sold at auction, Friday, Nov. 16th.

It would surprise you to see the loads of hosiery, underwear and blankets being sold at Hogsett's.

## Do You Know How Hard Your Wife Works?

Do you know what grinding, cheerless drudgery the kitchen demands? Isn't it hard enough without asking her to do twice as much work as is necessary? You're doing just that—and wasting good money in kitchen supplies—if you're making her get along without a

## A McDougall Kitchen Cabinet.

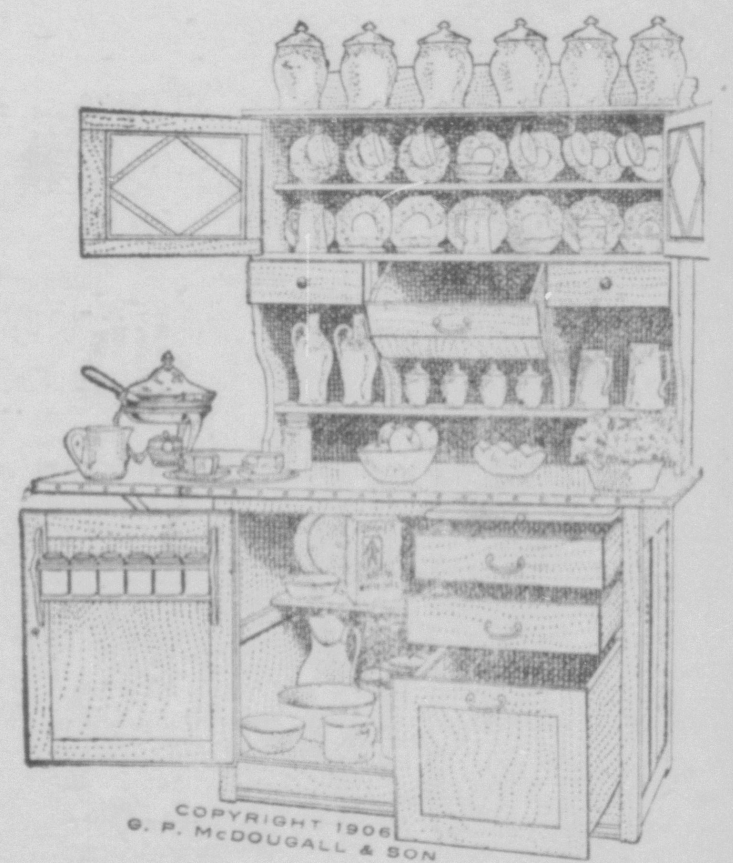

But if you want a Cabinet that will cut her work in two and pay for itself in the supplies it saves, get a genuine McDougall, not an imitation.

The McDougall is dust proof, doesn't collect grease and vermin, doesn't warp and will last a life time. The "made-to-sell" imitation is entirely different.

You're a lucky man if you take advantage of our Special Sale this week. You can get your wife a real McDougall at the same price of a poorly constructed imitation. The Special Prices range from \$18.50 to \$28.00. We have a Cabinet in our stock to suit every need and purse.

HAVE HER SEE THEM TODAY. YOU COME TOO.
